Pregnant women and struggling families with young children require assistance with their material and spiritual needs, regardless of their background. For low-income Hispanic women, this is especially true, because linguistic and cultural differences pose unique challenges for pregnancy volunteers and pastoral ministers.

In the Dioceses of Yakima and Spokane in central and eastern Washington, for example, your generosity to the Catholic Campaign for Human Development helps a group called PREPARES en español to minister to large and vibrant Hispanic communities. By training Spanish-speaking and bilingual volunteers and coordinators, and through developing Spanish-language materials, PREPARES en español offers support groups, family companions, and parent/child learning and playgroups that

not only assist vulnerable families but do so in a context of respect for the unique cultural needs of Hispanic families. With your contributions, Spanish-speaking families are strengthened and nourished at the parish level in these dioceses.
